## Billing and Insurance Policies

Patient Name: \_\_\_\_\_

For our who have insurance plans that Sensory Playground Therapy Center does not participate with, payment is due at the time of the visit.

**Insurance Cards:** Insurance companies have many different plans, some have a deductible, which is the patient's responsibility. Some require authorization or referral for visits and others do not. It is the patient's or parent's responsibility to check their specific coverage before your visit so that you will understand your coverage.

**Copays:** If your insurance company requires a copay (usually listed on your card), this payment is requested at check-in time prior to the visit. We have a fee for use of a credit card.

**Referrals:** If a referral is required by your insurance, it is the patient or parent's responsibility to get a referral from the primary care doctor prior to the visit. This will make you responsible for the visit's fee if your primary care does not send a referral.

**Two Insurances:** if you have coverage by two insurance plans, we need to know which is Primary and which is Secondary. We also need to know who the subscriber for each policy is, the employer of each subscriber, and their birthdays.

I understand that I am solely responsible, if my insurance company does not cover my visit.  
I have read the above information and have had the opportunity to ask questions.

### Attendance Policy

Patient Name: \_\_\_\_\_

The purpose of the Sensory Playground is to provide Occupational Therapy, Physical Therapy, and Social Group Therapy to those individuals for which it is recommended.

It is expected that patients enrolled in therapy will attend ALL scheduled sessions and will participate in the program planned for him/her. **If a patient does not show up for the appointment and does not provide 24-hour notice, there will be a \$25 charge to the account.**

As we have an extensive waitlist, if a patient misses two (2) consecutive sessions without an acceptable excuse, or without notifying the Clinic Personnel, he/she will be dismissed from therapy.

Readmission will be made only upon request by the patient to the Clinic Director.

I have read the above policy and accept these conditions.
